

# 4 TIME-SAVING MOBILE BANKING BENEFITS

The Fidelity Bank mobile banking app doesn't actually add more minutes to your day – but it'll sure feel that way.

Start managing money on your schedule. Once you're using mobile banking, you'll wonder how you ever lived without it.

## 1 Deposit Checks

Skip the branch and use your phone's camera to deposit checks from anywhere.

## 2 Move Money

Easily transfer funds between accounts or send person-to-person payments to friends and family.

## 3 Set Up Alerts

Keep yourself informed by tracking account balances, large purchases, and unusual activity.

## 4 Pay Bills

Don't bother searching for a stamp or worrying about whether you mailed your payment in time.

**Find Your Nearest ATM:** No more driving around aimlessly or getting hit with out-of-network ATM fees.
